

ARTHUR KENDALL (KEN), B.E.M.

Three views of Ken; in 1948 chatting at a Sunday visit to Parliament Hill Fields; in his familiar position atop the judge's steps; at Bluff, New Zealand on his retirement holiday. He is wondering which way to go to his next athletics meeting. Ken joined the club in 1931 when he won the novices mile. In 1934 he became the first club member to represent Middlesex. He was club secretary from 1933 to 1960, and treasurer for even longer, Southern Counties secretary from 1958 to 1970, and President in 1983. Many times an International track referee he was track referee at the Commonwealth Games in 1958 and 1966.
