

SARACENS RFC THE REDEVELOPMENT OF THE EXISTING WEST STAND

MONTHLY NEWSLETTER

Rayner Rowen Construction are pleased to bring you the second newsletter on the project and keep you up to date with our progress on the redevelopment of the new West Stand at the StoneX Stadium.

Demolition works have progressed well in the period and seen the complete demolition of the existing stand and associated buildings. We have included a series of photographs to show the progress of the works along with a before and after snapshot.

The site is fully established now and we are looking forward to commencing piling operations in the coming weeks in anticipating of the first steel deliveries commencing in June / July 2021.
