

LAUNCH OF THE SHAFTESBURY BARNET HARRIERS NEW CLUB KIT

We are pleased to announce, the launch of our new club kit, for Men, Women and Kids.

Over the past year we carried out many consultations with a number of SBH members. Following this the SBH Council reviewed the consultation results, and the final list of kit was agreed. At the same time negotiations took place with “Supreme Sports”, who provided us samples of various items of kit. The samples were of good quality, and the costs for each item of kit was then agreed.
